The UK Government has announced details of their £10bn Guarantee to the UK Credit Insurance industry.

<https://www.gov.uk/government/news/trade-credit-insurance-backed-by-10-billion-guarantee>

1) This announcement is hugely significant for many NI Businesses who trade domestically or internationally and follows intense lobbying of the NI Executive by Willis Towers Watson supported by our Trade Bodies and The Business Alliance.

2) This is also highly relevant for NI Companies that get credit from their Trade Suppliers, both domestically and from abroad. Those

Suppliers that are insured, and supported by relevant State backed schemes, should be able to continue to supply NI companies that have been hard-pressed and seen their own Credit Ratings reduced by the credit insurers.

As Willis Towers Watson are the local voice of authority on this matter we would be happy to provide you with more details so please don't hesitate to give us a call, if you are impacted either as a Supplier, a Buyer or Both.
