

CG018 FFP2 Face Mask

CE Certified (NB 2834)

Attributes

- ▶ Disposable premium respirator.
- ▶ Comfortable and light weight.
- ▶ Contour design ensures the compatibility of spectacles / goggles and reduces fogging.
- ▶ Good face adaptability, due to its concave shape.
- ▶ Head and neck straps.
- ▶ Adjustable nose clip.
- ▶ Soft foam inner nose bridge.

This respirator mask has a robust shell and cup design which conforms to most face shapes and sizes, while maintaining its shape well during use.
