

The way you move goods into and out of Northern Ireland is changing.

The Trader Support Service will help you prepare for the changes that will affect your business.
Register now.

What's changing?

The transition period after leaving the EU ends on 31 December 2020. So, from 1 January 2021 goods moving between Great Britain and Northern Ireland will be subject to new declarations.

We're here to help

HM Government has established the **free-to-use** Trader Support Service (TSS) to support you.

Register NOW at:
tradersupportservice.co.uk

TSS will enable you to:

- Complete declarations without the need for specialist advice or software.
- Submit declarations quickly, saving you time and expense.
- Get information and advice to help you prepare for 1 January 2021.

The Trader Support Service will help you prepare for the changes that will affect your business.

Thousands of businesses have already signed up. Act now and register your company today so that you are ready in time.

REGISTER BEFORE 23 NOVEMBER 2020 TO AUTOMATICALLY GET AN XI EORI NUMBER

To move goods to or from Northern Ireland from 2021, you'll need an **EORI number** that starts with XI.

To **get an EORI number that starts with XI**, you must already have an EORI number that starts with GB. If you do not have one, **apply for an EORI number that starts with GB** as soon as possible.

To save yourself time and effort, sign up to the TSS before 23 November 2020 and you'll automatically be allocated an XI EORI.

If you do not sign up before 23 November 2020, you may have to make a separate application for an XI EORI. You can find out more about EORI numbers at www.gov.uk/eori

Make the most of the Trader Support Service.
